Mission

Our mission at Airwagon Cargo Movers Ltd is to deliver superior logistics solutions that exceed our clients' expectations, ensuring the seamless movement of goods and promoting business growth and success.

Vision

To be recognized as a leading Clearing and Forwarding company globally, setting the standard for excellence in logistics services and creating lasting partnerships with our clients based on trust, reliability, and efficiency.

At Airwagon Cargo Movers Ltd, we are committed to providing innovative and reliable logistics solutions tailored to meet the unique needs of each client. Contact us today to experience the difference in logistics excellence.

Our Services

1. Air and Sea Freight Forwarding: Airwagon Cargo Movers Ltd provides comprehensive air and sea freight forwarding services, including air cargo handling, customs clearance, cargo tracking, warehousing, ocean freight management, container shipping, documentation, port handling, and supply chain visibility. Our services ensure efficient and reliable transportation of goods via air and sea routes, meeting the diverse needs of our clients with expertise and professionalism, providing seamless and cost-effective freight forwarding services, ensuring the timely and secure delivery of goods across international borders.

2. Customs Clearance: With a deep understanding of customs regulations and procedures, the company facilitates smooth customs clearance processes for import and export shipments. The Customs Clearance process involves preparing and submitting necessary documentation, coordinating with customs authorities for inspection and clearance, calculating and paying duties and taxes, and arranging the final delivery of goods to the consignee.

3. Removals and Relocations: Airwagon Cargo Movers Limited is a specialized moving and storage provider with the aptitude to consistently deliver solutions of the highest quality while setting the pace for removal of both commercial and household relocations across the globe.

Our mission is to provide our customers with effective and highly professional moving solutions at very affordable and competitive rates. Our services include:

- International Relocation.
- Corporate Relocation.
- Storage and Warehousing.
- Office Moving.
- Pet Handling and Relocation.

We make the moving experience stress free by planning together with you before the move date. We execute the move with maximum precision to ensure minimal down time.

4. Warehousing and Distribution: We provide warehousing services for storing goods securely and distribution services for transporting goods to their final destination efficiently. Warehousing includes storage, inventory management, handling, and security, while distribution involves transportation, order fulfillment, route optimization, tracking, and last-mile delivery.

5. Local and Transit Road Transport: Airwagon Cargo Movers Ltd operates a reliable road transport network, delivering goods safely and efficiently across different cities and towns within the Country. Our Transit road services focus on providing transportation solutions for longer distances, connecting different regions across Borders.

6. Logistics Consultancy: The Company provides expert advice, solutions and support to businesses looking to improve their logistics and supply chain operations, help reduce costs and enhance overall efficiency. We assist clients with customs clearance, trade documentation, and compliance import/export regulations to facilitate smooth cross border movement of goods and prevent delays or penalties.

When you choose Airwagon Cargo Movers Ltd, you are not just selecting a logistic provider, you are partnering with a team that is dedicated to your success.
